RE: Board of Directors Region IV

Dear Todd S. Mann, Executive Director MSA

In my pursuit of new creative endeavors, I was excited to find the Board of Directors for Region IV opportunity with Magnet Schools of America. As a progressive and innovative educational leader with 15 years of experience, I believe that I can bring valuable contributions to your team.

Identifying innovative approaches and improved solutions to improve magnet schools across the country both motivate and drive me, as I believe magnet schools can be the great equalizer for students. Observation, inspiration, and determination are my foundation for success. My philosophy is that introducing fresh perspectives and new techniques will allow magnet schools to evolve and grow. Similar to MSA, my goal is to remain on the cutting-edge of advancements.

Currently in my Principal role, I have the honor of leading an elementary arts magnet. I have enhanced my leadership abilities and cultivated a reputation as a major contributor in our magnet school programs through my communication and motivational skills. I am a collaborative team player always searching for opportunities to impart valuable insights. With these qualities, I can facilitate positive change while impacting outcomes.

For a greater presentation of my background and qualifications, please review my attached resume. I am eager to speak with you and greatly appreciate your consideration.

Sincerely,

RICKI GIBBS II, Ed.D.
